

Oklahoma

Council of Residential Specialists

President's Message:

Hello members and fellow REALTORS,

I hope you are all having a great year and are staying busy selling real estate. I just wanted to update you on a few things that are going on with the CRS Chapter.

First of all, we had a group from our officers that went to Lawton, OK to an appreciation breakfast offered by the Arm Forces YMCA, our Chapter with a Heart. We were invited to take part in their celebration and appreciation for all those that have contributed over the past year. It's a very moving time where the children perform and families that have benefitted from the program share testimonies. Those who were able to attend went to represent all of your who have donated so generously to this cause.

Second, Stan Pennington and I recently went to Washington DC to the Midyear Conference. Stan and I were able to gather valuable information and ideas for our chapter and members. There are several exciting changes that are going to take place in 2011. I'd love to share all those with you now but the details are all still being firmed up. I look forward to bringing those to you as I'm given the freedom to do so.

In April I was privileged to represent our chapter by modeling in the WCR style Show. It was a fun time and a great

opportunity to have involvement among two wonderful organizations.

Finally, we are looking ahead to next year and the courses we will offer as well as new leadership potential. If you are interested in being more involved with our chapter whether it's serving snacks in a class or being on a committee, give me a call or send me an email. This is your chapter and we want your involvement and ideas.

Remember when you are sending out going referrals to use a CRS. Your clients will appreciate you sharing with them the best in residential real estate.

As always, I'm here for you if you need me. Please feel free to email or call me with your questions, concerns or ideas.

Have a wonderful & prosperous summer!

Michelle Epps
CRS, CHMS

Congratulations New 2010 Designees
