

Government Affairs

If you're in real estate, politics is your business. Legislation and regulation affect many of the things you do as a real estate agent every day. Did you use the statewide contract for one of your real estate deals? Take a class to fulfill your continuing education requirements for your real estate license? Assist a seller in completing the Residential Property Condition Disclosure Form? These are just a few things that are a direct result of the lobbying efforts of your Association. This work is accomplished by REALTOR® volunteers and OAR's government affairs staff dedicated to promoting the interests of REALTORS® at the State Capitol during the legislative session. Calls For Action

When something important happens relating to government affairs, you'll receive an email with the title CALL FOR ACTION. When you receive this, please take a few seconds and respond! We'll tell you exactly what to do. It takes just two clicks from your email to join your fellow REALTOR® members and voice your opinion to support legislation that affects you as a REALTOR®. At these times, numbers speak louder than words!

InSession - A weekly video update

When the Oklahoma legislature is in session you will want to tune in to [CLICK HERE](#) to see OAR Senior Vice President of Government Affairs Charla Slabotsky and OAR's lobbyist Richard Phillips discuss what happened at the Capitol each week that can affect your business.

REALTOR® Political Action Committee (RPAC)

It's important to know that when it comes to politics and supporting our industry, your dollar combined with the dollars of your fellow REALTORS® from across the state has more impact than your dollar alone. When we combine our dollars, we can make a difference in the industry, and elect politicians who believe in Oklahoma's real estate industry . . .

Your RPAC Fair Share Contribution is Only \$15*:

Every member has a voice in issues that affect the success of our industry. It's good politics for REALTORS® and it's good for business. Each member is asked to contribute their "fair share" of only \$15.00, but those who contribute in excess of that are recognized throughout the year at all OAR events at the following contribution levels:

Sterling R Member	\$1,000 annually
Leadership Club	\$500 annually
Capital Club	\$250 annually
99 Club	\$99 annually

* Contributions are not deductible for income tax purposes. Contributions to RPAC are voluntary and are used for political purposes. The amount suggested is merely a guideline and you may contribute more or less than the suggested amount. You may refuse to contribute without reprisal and the National Association of REALTORS® or any of its state associations or local boards will not favor or disfavor any member because of the amount contributed. 70% of each contribution is used by your state PAC to support state and local political candidates. Until your state PAC reaches its RPAC goal, 30% is sent to National RPAC to support federal candidates and is charges against your limits under 2 U.S.C. 441a; after the state PAC reaches its RPAC goal it may elect to retain your entire contribution for use in supporting state and local candidates.

"One of the Association's chief roles is serving as an advocate for the real estate industry and the rights of property owners."
